HARDWOOD CLOSET SYSTEMS • MADE IN GEORGIA

Beautiful storage, built from real hardwood.

Introduce warmth, strength and thoughtful organization to closets, pantries and everyday storage with Cope Closet Concepts.

Licensed distributor

Since 1993, Cope Closet Concepts has crafted hardwood shelving and accessories. Its complete system pairs **American-grown ash shelving** with configurable all-wood organizers, giving homeowners a tailored look and installers a practical, durable system.

100%	3 styles	9–16 in.	Since 1993
solid domestic ash shelving	ventilated, Elegance and solid	shelf depths available	hand-crafted in Georgia

Choose your shelving style

A coordinated system for dressing rooms, reach-in closets, pantries and specialty storage.

Ventilated Hardwood

Slatted ash shelving lets air and light pass through. Offered in 9, 12, 14 and 16 inch depths.

Elegance Shelving

Wider slats add surface area while retaining the light, ventilated design.

Solid Shelving

Ash plywood replaces the slats to create a solid surface, ideal for pantries, bookshelves and specialty applications.

MAKE IT YOUR OWN

All-wood organizers

Build a personal storage layout with organizer units designed to complement Cope hardwood shelving.

- Multiple storage options and drawer layouts
- Three drawer-front styles and four drawer configurations
- Optional hamper and doors
- Eleven organizer finishes listed by the manufacturer

Designed for everyday living

Mix hanging, shelving, drawers and shoe storage to make better use of every inch.

Flexible layouts

Plan around the room, the wardrobe and the way the space is used.

Shoe storage

Give shoes a dedicated place within a coordinated closet system.

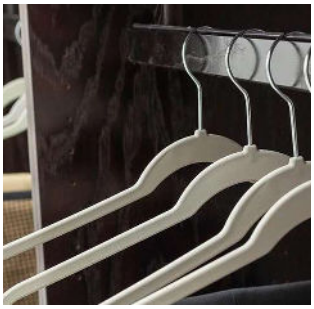

Tailored organization

Combine open shelves and closed storage for a finished, easy-to-use space.
