Bethel Church Flip House

PROJECT INFORMATION / CORNELIUS, NORTH CAROLINA

A complete two-story renovation with a four-foot kitchen expansion.

The house had very good bones but needed updating. We renovated it from top to bottom, including a fully redone kitchen and baths, updated flooring and fireplaces, and a four-foot bump-out at the back of the house to expand the kitchen.

PROJECT AT A GLANCE

HOME	TIMELINE	COMPLETED
Two-story	**About 4 months**	**About 3 years ago**

RENOVATION AND DELIVERY

- Kitchen fully renovated and expanded four feet at the rear
- Updated flooring and finishes throughout
- Fireplace updated; electric fireplace added in one room
- All bathrooms retiled
- Master bath renovated
- Full top-to-bottom renovation

Materials ranged from middle-of-the-road to high-end. The finished house received multiple offers. The renovation went smoothly overall; getting Mecklenburg County plans approved was the main project challenge.
