Concord Road Flip House

PROJECT INFORMATION / DAVIDSON, NORTH CAROLINA

A complete ranch renovation, thoughtfully reconfigured.

The home had very good bones but needed extensive updating. We renovated throughout, refreshed the kitchen and primary bath, and adjusted the floor plan to improve storage and add a bathroom.

PROJECT AT A GLANCE

HOME	TIMELINE	COMPLETED
Ranch	**About 4 months**	**About 4 years ago**

RENOVATION AND DELIVERY

- Kitchen and primary bath renovated
- Updated throughout
- Floor plan adjusted for more closet space
- One additional bathroom and closet added
- We served as general contractor
- Permitted work; all inspections completed

Finishes were middle of the road to somewhat high-end. The completed home received multiple offers.
